Completed application can be e-mail to eperez@bresnan.net or drop-off at the Cheyenne Junior League Fields during Umpire Clinic (April 11) or during season (season mid May – mid July cage opens at 5:15pm)

The 2009 clinic will be on April 11, 2009. 1:30-3:30

The CJL board of directors believe the children of ages 7 – 12 that the umpires will be working with, look up to the umpires as role models who are serious about helping the community.

The season will begin in May, and finish around the beginning of July. Games start at 5:45 on weekdays and 9:00, 11:30, 2:00, and 4:30 on Saturdays, there may also be games on Sunday afternoon for make-up or rainouts. We expect our umpires to be at the CJL complex 15 to 30 minutes before game time so we have no trouble starting on time.

Umpires this year will have their name and phone number on file with the umpire scheduler. They will be contacted to umpire games by the scheduler 1-2 weeks in advance. There are always instances where someone gets sick or has an emergency and can't make it to the field. You need to call the scheduler as soon as possible if you can't make it or you may be called by the scheduler in the afternoon and asked to umpire that night for someone else. **This is a job and you need to treat it as such.** The more reliable you are the more you will be scheduled and the more money you will make this summer.

Certified umpires will receive up to **\$30.00 per game (depending on certification and experience)**, whereas non-certified umpires will only receive \$20 per game. Games usually last between 1hr 45 min and 2hr 15min. You have the potential of making several thousand dollars in a season. Umpires are paid every two weeks. Checks can be picked up at the complex. We ask that when you pick up your check, you have a list of the games and dates you umpired, so your check is correct or can be corrected at that time.

There is a dress code and it needs to be followed. This year all certified umpires will be required to wear gray pants and navy blue umpires shirts with an official NBC umpire patch. If you are not certified you will need to wear gray pants and a solid navy blue polo shirt.

We look forward to seeing when the class is scheduled.
