www.cjlbaseball.com

Dear Cheyenne Junior League Supporters,

The Cheyenne Junior League, CJL, is gearing up for another great summer of baseball for the youth of our city. Last year CJL had over 600 boys and girls, ages 5-12, participate in our program which made up more than 60 teams in four different leagues.

The Junior League also supports All-Star tournament teams selected from our pool of CJL players to represent our league in regional competitive baseball tournaments. The CJL Board and coaches are parent volunteers committed to offer a first rate program for those CJL players wanting the opportunity to compete at a higher level. We cannot achieve our goal without the support of local businesses and professionals like you.

For your consideration, CJL is offering a banner program, to line our outfield fences with banners advertising CJL All-Star supporters. These 3 ft x 5 ft banners, advertising your business will hang throughout the season for all CJL participants, their families and friends to view.

Banners are \$250 each if created by CJL. \$200 each if banner is supplied by sponsor or is a renewal of a banner created in prior years. Sponsors may purchase as many banners as they would like and indicate which of our 9 Junior League fields they wish them to hang. All sponsors will be recognized by CJL through the public address system during CJL games.

All dollars raised by each All-Star team will be used specifically by that team to help cover their expenses. Those expenses include tournament entry fees, uniforms, practice facility rental ...etc. Your banner purchases will be credited to your designated Stars team, to meet team expenses and make this a successful and memorable experience.

Included with this request is the Stars banner sponsorship form. Please review, fill out, and return this form with remittance, to begin your support for this outstanding team.

Thank you sincerely for your time and consideration to support CJL and our Stars program. Please feel free to contact our CJL All-Star Coordinator, for any questions or comments you may have.

Robert Alles
CJL Stars Coordinator
